## AN ENGLISH FUTURITY WINNER.

Marcus Daly's English colt, Ogden, by Kilwarlin out of Oriole, a youngster bought in England for a large sum, won the Futurity in commanding style to-day. The colt was one of Matt Byrne's good things. He had worked wonderfully well, though the reporters missed it all. The California boy, Tuberville, was put up on Ogden and he rode the colt well, virtually running the field into the ground in the first half. It was the fastest Futurity ever run.

## NEWPORT MEETING EXTENSION.

COVINGTON, Ky., August 15.—The management of the Queen City race course at Newport, Ky., after due deliberation has decided to extend the present meeting to September 11. This step was taken in view of the liberal and increased patronage on the part of the public, who are quick to see and appreciate clean racing. The business in the betting ring shows a decided improvement in the volume of money handled by the books, thus making room for a few more on the line. With Col. Jack Chinn as starter, and his long standing partner, George Morgan, as receiver to protect the public's interest, there is not the least room for complaint on any corner.

### Milwaukee's Good Racing.

MILWAUKEE, Wis., August 15.—There was a big crowd at State Park, with spirited betting. There were 12 books in the ring. There was a big play in the foreign book on the Futurity. Indra and Covozza were the good things of the day. The latter is a good colt, far better than his racing so far shows. The State Park Special brought some 300 Chicagoans to-day in splendid shape.

### THE STATE PARK SPECIAL.

The "State Park Special," the most luxurious and fastest race train ever made up, leaves the Chicago & North-Western station, Wells and Kinzie streets, Chicago, at 11 a. m., every week day. The trip to the beautiful State Park race course at North Greenfield, Wis., is made in two hours or less. The same train is side-tracked until twenty minutes after the last race, when a Mogul engine pulls it back to Chicago in time for dinner. The train consists of parlor, dining and smoking cars, meals being served a-la-carte, going and returning.

The train gets nearly 200 regular Chicago patrons. Bookmaker Sam Summerfield is one of its steady travellers. He prefers to live in Chicago and go to and from Milwaukee for his racing. Commenting on the State Park Special Mr. Summerfield says: "It gives first class hotel service. We travel smoothly and in luxury, and are excellently and reasonably attended and fed. I arrive at Milwaukee fresh, cool and clear headed and get the same care at far less cost than I could get at a first class hotel. The Special's a glory in the line of race track transportation."
